

***Inc.* Magazine Unveils 33rd Annual List of America's Fastest-Growing Private Companies—the Inc. 5000**

**Mill City Environmental Ranks No. 2278 on the 2014 Inc. 5000
with Three-Year Sales Growth of 137%**

NEW YORK, August 20, 2014 -- *Inc.* magazine today ranked Mill City Environmental NO. 2278 on its 33rd annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 500|5000.

“We are so honored to make this year's Inc. 500|5000 list, and even more proud of the hard work that the MCE team has put into driving our company's growth” said Brian Chapman, president, Mill City Environmental Corporation.

The 2014 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 20 to November 30), is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 516%. The Inc. 5000's aggregate revenue is \$211 billion, generating 505,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

“What surprises me, even though I know it's coming, is the sheer variety of the paths our entrepreneurs take to success, thematically reflecting how our economy has evolved,” says Inc. President and Editor-In-Chief Eric Schurenberg. “This year there are far more social media and far fewer computer hardware businesses than

there were, say, six years ago. But what doesn't change is the fearsome creativity unleashed by American entrepreneurship.”

The annual Inc. 5000 event honoring all the companies on the list will be held from October 15 through 17, 2014 in Phoenix. Speakers include some of the greatest entrepreneurs of this and past generations, such as Michael Dell, Martha Stewart, host of the CNBC show “The Profit” Marcus Lemonis, Container Store Founder and CEO Kip Tindell, and Chobani Founder and CEO Hamdi Ulukaya.

Today, MCE is a thriving, award-winning small business with 46 employees that serves federal, commercial and private sector clients in 17 states in the New England, Mid Atlantic, South and Southwestern territories. The key to the company's success is based upon Chapman's philosophy to service each customer with a personalized collaborative approach that produces exceptional results and long-lasting relationships.

The 2014 Inc. 5000 is ranked according to percentage revenue growth when comparing 2010 to 2013. To qualify, companies must have been founded and generating revenue by March 31, 2010. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2013. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue.
